Re: EPA Pesticide-Producing Establishment Report for: 011195-CA-001 and 011195-CA-002

Mr. Kirk Shermer
Snowden Enterprises, Inc.
PO Box 751
Fresno, CA 93712

LETTER OF ADVISEMENT
Reference Number: F-ADL-08-27

Dear Mr. Shermer:

Your company's 2006 and 2007 *Pesticide Report for Pesticide-Producing and Device Producing Establishments* appear to contain errors and are being returned. The "Unit of Measurement" (Item 27) for both years is entered as "P" for Pounds. However, on the 2007 *Reports*, the "Produced" and "Sold or Distributed" lines contain a dollar sign (\$). The Instructions direct companies to enter the "Amount" of product, not the monetary value of product in lines 28, 29, 30, and 31. The Agency is not interested in either the cost of producing the product or the money collected when product was sold.

Section 12(a)(2)(L) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) [7 U.S.C. § 136j(a)(2)(L)] states that it is unlawful for a producer to violate the provisions of section 7 [7 U.S.C. § 136e]. **Submission of an inaccurate *Report(s)* constitutes a violation of FIFRA. Further violations of reporting requirements may subject your company to an administrative civil penalty.**

Please return the corrected *Report(s)* in the self-addressed envelope provided within 21 days of the receipt of this letter. Please keep a copy of the corrected *Report(s)* for your records so that this error is not repeated in the future. If you have any questions regarding this LETTER OF ADVISEMENT or the errors on the *Report(s)*, please contact Glenda Dugan at 415-947-4204.

Sincerely,

Pamela Cooper, Manager
Pesticides Office
